

Zooh Corner Rabbit Rescue Presents

Free Rabbit Care Seminars 2016

EXOTIC ANIMAL CARE CENTER - 2121 East Foothill Boulevard, Pasadena 91107

Hosted by Dr. Sari Kanfer, Exotic Care Animal Center, and Zooh Corner Rabbit Rescue

GI Stasis & Bloat

DR. SARI KANFER

Sunday, March 20th

Noon-3PM

GI Stasis and Bloat are both scary to humans and can be deadly to rabbits. Learn how to recognize stasis and bloat, how they are treated, what you can do at home, when to seek veterinary help.

**Emergency kits available*

The Painful Rabbit

DR. SARAH WILLS

Sunday, May 15th

Noon-3PM

Whether from injury, illness or a long term medical condition pain is not good, especially for prey animals like our bunnies. Dr. Wills will talk about how to recognize and successfully manage pain in our little friends. ***Demos: taking temp, giving shots & oral meds.**

Enhancing Quality of Life of Disabled Rabbits

AMY SPINTMAN

Sunday, July 17th

Noon-3PM

Day-to-day care of disabled and elderly rabbits can seem like a daunting task. Special guest, Amy Spintman, offers tips and tricks on keeping our special needs bunny companions comfortable and happy.

Alternative Therapies

DR. AINJIL BILLS

Sunday, September 18th

Noon-3PM

Acupuncture and cold laser therapy are successfully being utilized to treat a variety of ailments affecting rabbits. Dr. Bills will discuss the physiology behind these therapies & their use treating kidney disease, skin conditions, orthopedic issues and more. **Acupuncture & cold laser demos.**

Rabbit Emergencies

How Do I Know? What Do I Do?

Speaker To Be Determined

Sunday, November 20th

Noon-3PM

Learn how to identify & assess a sick rabbit. Is it an emergency? Can you wait until tomorrow? What to do if bunny is: lethargic, dizzy, incontinent, bleeding, unable to hop, in pain, and more.

A MUST FOR ALL BUN OWNERS!

**Emergency kits available*

Dental Disease

DR. SARI KANFER

Sunday, January 15th, **2017**

Noon-3PM

Dental issues are very common in pet bunnies. Learn about rabbit dental disease, assessing your rabbit's dental health, treatment for dental issues and how to keep your rabbit's teeth in good shape.

Note: All rabbits must come in carriers. The ZOOH STORE will be on hand with fresh hays, toys, supplies & goodies for sale. Spa-style GROOMING available at most events. Ask us about adoptions and bunny dates. Tax deductible donations happily accepted.

All seminars will offer \$30 Healthy Pet exams for rabbits, chinchillas, guinea pigs & other small mammals. That's a savings of more than \$45, and thanks to the generosity of Dr. Kanfer, all proceeds benefit Zooh Corner Rabbit Rescue. **Exam slots are limited. First come first serve. Exams begin after presentation. Animals who are ill need to be seen during business hours (unless arrangements made prior). Emergencies will be referred to approved exotics veterinarians. Be sure to contact Exotic Animal Care Center for all of your exotic pet's medical needs (626)405-1777. THANK YOU to Dr Kanfer for hosting these events again in 2016!**
