

Bird Basics

How to Transition Your Bird From Seeds to Pellets

Transitioning Food*

2 tsp seed (maximum)
2 – 3 Tbsp Cheerios
3 Tbsp Harrison's Pepper Coarse
Or
3 Tbsp Harrison's Hi Potency
Or
Soak N Cook bird food

Fruit and Veggies

Give steamed broccoli/cauliflower and other non-starchy vegetables. Raw red /yellow peppers, apples and blueberries.

Bird Light

Use the Avitec.com 18 inch fluorescent fixture with full spectrum Tube. DO NOT USE THE "BULB" CONFIGURATION

For some patients

Vitamin Injections once weekly for several weeks if nutrition has been inadequate.

Shower daily

Twice a day is better

- If we do not have the Harrison's feed in stock, Discount Bird Supply (818)883-3007 in Canoga Park carries Harrison's or www.harrisonsbirdfoods.com
